Course Overview

Our self-paced ISO 27001: 2022 Certified ISMS Transition online training course will help you to understand the changes and new requirements in the ISO 27001: 2022 standard.

Our ISO 27001: 2022 Certified ISMS Transition online training course will allow you to update your existing SO 27001 qualifications to ISO 27001: 2022 versions.

Course Learning Outcomes

Our ISO 27001: 2022 Certified ISMS Transition Online training course is available for pre-order and will be fulfilled in January 2023.

ISO 27001: 2022 is the newest version of the ISO 27001 standard and was published in October 2022. Even though, it is not significantly different from the previous standard - it does have notable changes that include scoping, planning, operation and performance evaluation.

Our ISO 27001: 2022 Certified ISMS Transition online training course has been designed for individuals who hold existing IBITGQ ISO 27001 qualifications and wish to update their knowledge and credentials. It is also suitable for those with equivalent ISO 27001 qualifications from BSI, PECB, CQI / IRCA or APMG.

Businesses certified to ISO 27001: 2013 have a three-year transition period to make the necessary changes to their Information Security Management System (ISMS).

You will also receive IBITGQ ISO 27001: 2022 qualifications that are upgraded versions of one or more following:

- ISO 27001 Certified ISMS Foundation
- ISO 27001 Certified ISMS Lead Auditor

- ISO 27001 Certified ISMS Internal Auditor
- ISO 27001 Certified ISMS Lead Implementer

Please Note: If you are new to ISO 27001, it is recommended that you attend our one-day ISO 27001 Certified ISMS Foundation training course.
