- Collaborating to create a contract based on outcomes
- Driving the right behaviours
- Structuring a contract to align with agile working
- The contract as a safety net

Course Overview

PRINCE2® Agile is the latest addition to the PRINCE2® training and certification scheme.

PRINCE2® Agile training helps practicing PRINCE2® project management professionals tailor their approach to project management with the addition of Agile tools, techniques and methods.

Our five-day PRINCE2® Agile Foundation & Practitioner training course will teach you how PRINCE2® Agile merges flexibility with pragmatism and enables you to scale flexible delivery with appropriate control and good governance.

Course Learning Outcomes

In our PRINCE2® Agile Foundation & Practitioner training course, you will learn how to:

- Configure and tune PRINCE2® to work effectively with agile delivery.
- Develop a comprehensive understanding of agile working practices.
- Utilise Scrum, Kanban and Lean Startup for product delivery within a PRINCE2® project.
- Blend the governance of PRINCE2® with the dynamic delivery of agile frameworks.

Audience

Our PRINCE2® Agile Foundation & Practitioner training course is suitable for:

- Aspiring or current project managers or project team members wanting to learn to blend the structure, governance, and controls of PRINCE2® with agile methods, techniques, and approaches,
- Anyone working within an agile project environment, whether they are a project manager, project support or part of the wider project team,
- Non-project professionals wanting to understand how to deliver projects in an agile context.

Entry-Level Requirements

Our PRINCE2® Agile Foundation & Practitioner training course is made of two distinct parts:

- Part 1 Is completed in the first two days and focuses on covering all the elements of PRINCE2® Agile that is explicitly identified in the Foundation Exam syllabus.
- Part 2 is completed in the final 3 days and reviews the full manual in the depth and detail required to prepare for the Practitioner Exam.

Please Note: Evening study will be required on the first four nights of the PRINCE2® Agile Foundation & Practitioner training course.

Recommended Reading

It is recommended that you read the PRINCE2® Agile manual prior to attending our PRINCE2® Agile Foundation & Practitioner training course.

What's Included

Our PRINCE2® Agile Foundation & Practitioner training course includes the following:

- Full Course Materials
- PRINCE2® Official Core Guidance (eBook Format)
- PRINCE2® Agile Sample Exams
- PRINCE2® Agile Foundation Examination
- PRINCE2® Agile Practitioner Examination
- PRINCE2® Agile Practitioner Exam Voucher

Exam Information

Purple Griffon will provide you with exam vouchers to take the examinations after our PRINCE2® Agile Foundation & Practitioner training course.

PRINCE2® Agile Foundation Examination:

- **Style:** Multiple-Choice
- **Questions:** 50
- **Pass mark:** 56% (28/50)
- **Duration:** 60 Minutes
- **Materials Allowed:** Closed-Book
- **Results:** Same day

PRINCE2® Agile Practitioner Examination:

- **Style:** Multiple-Choice
- **Questions:** 50
- **Pass Mark:** 60% (30/50)
- **Duration:** 150 Minutes
- **Materials Allowed:** Open-Book
- **Results:** Same Day

Read the PeopleCert Official Guidance for Windows Devices and MacOS Devices for a step-by-step guide on how to take your online proctored examination.

Your Identification Document (ID):

On the day of your exam, your Proctor will verify your ID. You are responsible for ensuring the ID used to register and take your exam is valid and acceptable. On your exam day, if you do not present valid and acceptable ID, or the First/Middle Name(s) and Last Name of your ID do not exactly match the name you used to register for your exam, you will not be allowed to test and will not be entitled to a refund. You will, however, be able to re-book your exam following the standard exam booking process. Your ID must:

- Be current and valid – ID containing dates that have expired are not allowed.
- Be an original, not a photocopy.
- Include a recognisable photo of you.
- Match the information you gave when you booked your online exam.
- Be a government-issued national/state/province identity card that is recognized by the country in which you are a citizen or permanent resident.
- Contain your Birthdate/Year.
- Contain your First/Middle Name(s) and Last Name in English (Latin) characters.

Please Note: Electronic IDs will not be accepted.

From 01 January 2023: All PeopleCert certifications will need to be renewed after three years. You can do this by retaking the examination before the renewal date, collecting professional development points via MyAXELOS or taking further certifications before the renewal date. If you make the decision to not renew your certification, you will not be removed from the Successful Candidate Register (SCR). You will remain on the Successful Candidate Register (SCR), however it will be flagged that your certification is not up to date.

What's Next

Our three-day ITIL® 4 Foundation training course is the starting point in your ITIL® 4 certification journey and is the prerequisite for the ITIL® 4 Managing Professional (MP) and ITIL® 4 Strategic Leader (SL) training courses.

Our ITIL® 4 Foundation training course is for anyone who needs to understand the key concepts of IT and digital service delivery, and who is interested in helping their organisation embrace the new service management culture.

Additional Information

Our PRINCE2® Agile Foundation & Practitioner training course training course will help you merge a proven PRINCE2® methodology with Agile techniques making you a more productive and knowledgeable Project Manager.
