Course Overview

PRINCE2® Agile is the latest addition to the PRINCE2® training and certification scheme.

PRINCE2® Agile training helps practicing PRINCE2® project management professionals tailor their approach to project management with the addition of Agile tools, techniques and methods.

Our two-day PRINCE2® Agile Foundation training course will prepare you to successfully pass the PRINCE2® Agile Foundation examination and learn how to take advantage of the compatibility between PRINCE2® and Agile.

Course Learning Outcomes

PRINCE2® Agile is all about using PRINCE2® and Agile together. It combines the framework of PRINCE2® with the flexibility and responsiveness of Agile. Our PRINCE2® Agile Foundation training course will teach you how PRINCE2® Agile merges flexibility with pragmatism and enables you to scale flexible delivery with appropriate control and good governance.

Through practice exam questions, workshops, and overnight study, our PRINCE2® Agile Foundation training course will provide you with the knowledge of PRINCE2® Agile Foundation principles. As a result, you will come away with the fundamentals of a complete agile project management solution.

In our PRINCE2® Agile Foundation certification training course, you will learn how to:

- Gain the best of both worlds, an effective focus on management and delivery.
- Establish a tailored governance framework that satisfies senior management.
- Create an agile-friendly environment that enables and facilitates agile delivery.
- Increase stakeholder engagement and confidence.
- Realise the benefits of unrestricted agile delivery with tailored and tuned project management.

Audience

Our PRINCE2® Agile Foundation training course is suitable for:

- Aspiring or current project managers or project team members wanting to learn to blend the structure, governance, and controls of PRINCE2® with agile methods, techniques, and approaches.
- Anyone working within an agile project environment, whether they are a project manager, project support or part of the wider project team.
- Non-project professionals wanting to understand how to deliver projects in an agile context.

Entry-Level Requirements

There are no formal entry-level requirements for our PRINCE2® Agile Foundation training course, however, knowledge of either project management or Agile delivery will help.

Please Note: You will be required to complete two hours of evening study each night.

Read the PeopleCert Official Guidance for Windows Devices and MacOS Devices for a step-by-step guide on how to take your online proctored examination.

Your Identification Document (ID):

On the day of your exam, your Proctor will verify your ID. You are responsible for ensuring the ID used to register and take your exam is valid and acceptable. On your exam day, if you do not present valid and acceptable ID, or the First/Middle Name(s) and Last Name of your ID do not exactly match the name you used to register for your exam, you will not be allowed to test and will not

be entitled to a refund. You will, however, be able to re-book your exam following the standard exam booking process. Your ID must:

- Be current and valid – ID containing dates that have expired are not allowed.
- Be an original, not a photocopy.
- Include a recognisable photo of you.
- Match the information you gave when you booked your online exam.
- Be a government-issued national/state/province identity card that is recognized by the country in which you are a citizen or permanent resident.
- Contain your Birthdate/Year.
- Contain your First/Middle Name(s) and Last Name in English (Latin) characters.

Please Note: Electronic IDs will not be accepted.

From 01 January 2023: All PeopleCert certifications will need to be renewed after three years. You can do this by retaking the examination before the renewal date, collecting professional development points via MyAXELOS or taking further certifications before the renewal date. If you make the decision to not renew your certification, you will not be removed from the Successful Candidate Register (SCR). You will remain on the Successful Candidate Register (SCR), however it will be flagged that your certification is not up to date.
