PURPLE GRIFFON
The IT Service Management Training & Consultancy Specialists

Course Title: Certified EU GDPR Practitioner Online	
Exam: Included	**Exam Type**: Proctored Exam
Qualification: EU General Data Protection Regulation (GDPR) Practitioner Certificate	

Course Syllabus

Our EU General Data Protection Regulation (GDPR) Practitioner online training course will cover the following topics:

- What constitutes personal data.
- The six data protection principles – how to apply them and demonstrate compliance.
- Determine how consent is given and withdrawn.
- The rights of data subjects.
- Handling data subject access requests (DSARs).
- The roles of controllers and processors, and the relationships between them.
- The DPO (data protection officer) role.
- The security of personal data.
- Lessons to be learned from common data security failures.
- Incident response and data breach reporting.
- An organisational risk management framework.
- Why and how to conduct a data flow mapping exercise.
- Legal requirements for a DPIA.
- How to conduct a DPIA with a DPIA tool.
- Transferring personal data outside the UK and the mechanisms for compliance.
- Remedies, liabilities and penalties.
- Accountability, the privacy compliance framework and a PIMS (personal information management system).
- Plan how to transition to and demonstrate compliance with the GDPR.
- How to become GDPR compliant using a compliance gap assessment tool.

Course Overview

The EU General Data Protection Regulation (GDPR) is more extensive in scope and application than the Data Protection Act (DPA) and extends the data rights of individuals.

The EU General Data Protection Regulation (GDPR) requires organisations to develop clear policies and procedures to protect personal data, and adopt appropriate technical and organisational measures.

Our EU General Data Protection Regulation (GDPR) Practitioner online training course will give you the knowledge to implement and maintain compliance with the EU General Data Protection Regulation (GDPR).

Course Learning Outcomes

Our EU General Data Protection Regulation (GDPR) Practitioner online training course will teach you about:
