

Course Title: ITIL® 4 Specialist: Create, Deliver & Support (CDS) Online	
Exam: Included	Exam Type: Proctored Exam
Qualification: ITIL® 4 Specialist Create, Deliver & Support (CDS) Certificate	

# **Course Syllabus**

Our ITIL® 4 Specialist: Create, Deliver & Support (CDS) online training package comes with 180 days access to the online training portal. It will take you around 18 hours of studying to complete the training content.

The ITIL® 4 Specialist: Create, Deliver & Support (CDS) module builds on the concepts introduced in ITIL® 4 Foundation and provides IT practitioners with an understanding of service quality and improvement methods, enabling them to continue to deliver innovative yet reliable tech-enabled services to their customers in an increasingly competitive market. The lessons will cover the following topics:

- Service Value Stream Key Concepts & Challenges
- Value Streams For New Services
- Value Streams For User Support
- Know How To Create, Deliver & Support Services
- ITIL® 4 Specialist: Create, Deliver & Support (CDS) Exam Preparation

## **Course Overview**

Our ITIL® 4 Specialist: Create, Deliver & Support (CDS) online training package covers the 'core' service management activities and expands the current scope of ITIL® to include the 'creation' of services. It focuses on the integration of different value streams and activities to create, deliver, and support IT-enabled products and services whilst also covering supporting practices, methods, and tools.

## **Course Learning Outcomes**

Our ITIL® 4 Specialist: Create, Deliver & Support (CDS) online training package is aimed at individuals who are continuing their journey in service management, ITSM managers and ITSM practitioners managing the operation of IT-enabled and digital products and services, and those responsible for their end-to-end delivery, as well as holders of existing ITIL® qualifications who wish to update and develop their knowledge further.

### ITIL® 4 Specialist: Create, Deliver & Support (CDS) Objectives:

- Understand how to plan and build a service value stream to create, deliver and support services.
- Know how relevant ITIL® practices contribute to the creation, delivery, and support across the SVS and value streams.
- Know how to create, deliver, and support services.

Read the PeopleCert Official Guidance for <u>Windows Devices</u> and <u>MacOS Devices</u> for a step-by-step guide on how to take your online proctored examination.

### Your Identification Document (ID):

On the day of your exam, your Proctor will verify your ID. You are responsible for ensuring the ID used to register and take your exam is valid and acceptable. On your exam day, if you do not present valid and acceptable ID, or the First/Middle Name(s) and Last Name of your ID do not exactly match the name you used to register for your exam, you will not be allowed to test and will not be entitled to a refund. You will, however, be able to re-book your exam following the standard exam booking process. Your ID must:

- Be current and valid ID containing dates that have expired are not allowed.
- Be an original, not a photocopy.
- Include a recognisable photo of you.
- Match the information you gave when you booked your online exam.
- Be a government-issued national/state/province identity card that is recognized by the country in which you are a citizen or permanent resident.
- Contain your Birthdate/Year.
- Contain your First/Middle Name(s) and Last Name in English (Latin) characters.

Please Note: Electronic IDs will not be accepted.

From 01 January 2023: All PeopleCert certifications will need to be renewed after three years. You can do this by retaking the examination before the renewal date, collecting professional development points via MyAXELOS or taking further certifications before the renewal date. If you make the decision to not renew your certification, you will not be removed from the Successful Candidate Register (SCR). You will remain on the Successful Candidate Register (SCR), however it will be flagged that your certification is not up to date.
